

# Types of viruses, coughs, and colds

Here is  
a line break

I don't have Brain Canceror the hiccups

See Table 1

Below.

See

Table 2

Below.

SeeTable 3Below.

## Common Ailments

Table 1: Infectious diseases and where to find them.

Disease	Location	Year
Polio and BC546 is –55OC cold.	-Dublin to Milwaukee	?2001
I don't like Chicken Pox or pizza. Shingles is also bad.	whooping cough
